Dear Parents,

2021 TUITION FEES

So, another extremely stressful year has passed and 2021 is here!!! We look forward to another SUPER AWESOME year. We have already started work on not only planning but also improving our programme for 2021. This letter is to inform our existing parents, as well as our new parents, of the school fee structure for 2021. Please also take note of the various fee payment plans available. Tic Toc management is aware of the current South African climate and is also sensitive to the impact on most families. There will therefore be no increase in 2021 for Tic Toc Tuition Fees. We will however still, as always strive to offer high quality education at an exceptional value to parents and children.
