Dear Parents,

## 2022 TUITION FEES

This letter is to inform our existing parents, as well as our new parents, of the school fee structure for 2022. Please also take note of the various fee payment plans available. Tic Toc management is aware of the current South African climate and is also sensitive to the impact on most families. There will therefore only be a 7% increase in 2022 for Tic Toc Tuition Fees. Tic Toc pride themselves in offering a high standard of education, whilst striving to ensure that costs remain as reasonable as possible for parents.

Please find a cost breakdown of our 2022 Tuition Fees and additional annual charges below. The following fee structure will come into effect as of 1st January 2022.
