2026 TUITION FEES – NOTICE OF ADJUSTMENT

Dear Parents and Guardians,

We would like to take this opportunity to thank you for your continued support and trust in Tic Toc Nursery School. Your partnership allows us to provide a nurturing, stimulating and high-quality learning environment for all our children.

As you know, we have proudly maintained our tuition fees for the past two years despite rising costs across the board. This decision was made with deep consideration for the financial pressures many families face, and with a strong commitment to keeping our school accessible and affordable.

However, due to the continued increase in daily operational expenses, we will unfortunately need to implement a slight adjustment to our Tuition Fees for 2026.

Please rest assured:

- We have worked hard to keep this increase as minimal as possible.
- Our goal remains to offer exceptional value for money, without compromising on the quality of care and education your child receives.
- Every cent is reinvested into maintaining a safe, enriching, and well-resourced environment for our children.

We understand that any increase can be concerning, and we remain committed to supporting our families wherever possible. As always, we offer flexible payment plans and encourage you to reach out to our office should you wish to discuss options. The updated fee structure will come into effect from 1 January 2026, please see a detailed breakdown below.

Thank you for walking this journey with us. Your trust and support mean the world to us, and we look forward to another wonderful year of growth, learning, and joyful memories at Tic Toc.

2026 ANNUAL TOILETRIES & STATIONERY FEE

Please take note of the Annual Toiletries and Stationery Fee for 2026. This is a once-off payment that will be added to your January 2026 statement and is payable by the end of March 2026.

Tic Toc Nursery School will supply all necessary Stationery and Toiletries for learners throughout the school year. Parents are not required to replenish these items during the year, ensuring a consistent and well-equipped learning environment for every child.

We do kindly ask that families of learners in Grade RR and Grade R ensure that children have access to basic materials at home to support Daily Homework Activities.

Thank you for your continued support and cooperation.
